

European Aviation Safety Agency

**EUROPEAN TECHNICAL STANDARD ORDER
(ETSO) AUTHORISATION
EASA.210.1225**

This European Technical Standard Order (ETSO) Authorisation is issued by EASA, acting in accordance with Regulation (EC) No. 216/2008 on behalf of the European Community, its Member States and of the European third countries that participate in the activities of EASA under Article 66 of that Regulation, subject to conditions specified below, to

Fallschirmbau Buchsein/Hermesdorf GbR
Von-der-Recke-Straße 12
58300 Wetter
Germany

in accordance with Commission Regulation (EC) No. 1702/2003, Part 21, Section A, Subpart O and TSO C23b*

for

Slimpack T204 Safety parachute
P/N T204

DDP No. 40.010/99 Issue 1 or Subsequent Revisions

Remarks:

* Accepted under Regulation (EC) 1702/2003 Article 2 No. 13. which states: "Approvals of parts and appliances issued by a Member State and valid on 28 September 2003 shall be deemed to have been issued in accordance with this Regulation." This certificate supersedes Luftfahrtbundesamt approval 40.010/99 dated 04/06/1998 to update the packing interval and final lifetime of the parachute to be equal to the original approval granted by CAA Australia.

Limitations:

Refer to DDP sections 2, 4 and 9.

Conditions

1. The above ETSO Authorisation holder is only authorised to identify an Article with this ETSO marking whilst remaining in compliance with the conditions retained for the Issue of this Authorisation.
2. This ETSOA does not constitute an installation approval. It is the responsibility of those installing this article to determine that the aircraft installation conditions are within the ETSO standards.

This Authorisation shall remain valid until surrendered or revoked.

For the European Aviation Safety Agency,
Date of Issue: April 23, 2009
